[XXX] NO FEES ARE PAYABLE WITH RESPECT TO THIS RESPONSE.

In response to the official action mailed March 3, 1994, please enter the following before reconsideration of this application.

## In the Claims:

Please amend claims 1, 5 and 6 as follows.

- (Twice Amended) A grille for security institutions,
  comprising:
- a. a body having two opposed faces, one of the opposed faces being generally planar and devoid of any appendage, thereby precluding attachment of an object thereto;
- b. openings in the planar opposed face being restricted to a plurality of continuous passages extending through the body between the opposed faces, the passages having at least two changes in direction and defining a generally zig zag course such that when rope-like suspension means are inserted into the passage the series of directional changes severely
